Nuxated Iron Helps to Spread Health and Strength to 3,000,000 People Annually—Get Your Share!

When you think of the successful men and women you know—people who are doing things worth while—you will find that they possess force, vim and energy—the kind that simply burn over when the blood is filled with iron.

Iron is the blood food—it helps put strength and energy into the veins of men and roses into the cheeks of women.

A prominent New York Surgeon and former Adjunct Professor of the New York Post Graduate Medical School and Hospital, Dr. Kenneth K. MacAlpine, says: "If people would only realize that iron is just as indispensable to the blood as is the air to the lungs and be just as particular about keeping up a sufficient supply at all times there would, in my opinion, be far less disease resulting from anemic, weakened conditions. In my opinion, Nuxated Iron is the most valuable tonic, strength and blood builder any physician can prescribe."

MacAlpine's Nuxated Iron, which has been prescribed and recommended by physicians and which is used by over three million people annually, is not a secret remedy, but one which is well-known to druggists everywhere. Unlike the other iron products, it is easily assimilated and does not irritate the stomach, make them black nor upset the stomach. The manufacturers guarantee successful and satisfactory results in every instance or they will refund your money. It is dispensed in this city by Tilden Drug Co., 315 E. 14th St., and El Paso Drug Co., Inc., and all other druggists.—Adv.

AS YOUNG AS YOUR KIDNEYS

The secret of youth is ELIMINATION OF POISONS from your body. This done, you can live to be a hundred and enjoy the good things of life with as much "zip" as you did when in the springtime of youth. Keep your body in good condition, that's the secret.

Watch the kidneys. They filter and purify the blood, all of which keeps passing through them every three minutes. Keep them clean and in proper working condition and you have nothing to fear. Drive the poisonous wastes and deadly uric acid accumulations from your system. Take GOLD MEDAL HAZELTON OIL CAPSULES and you will always be in good condition. You will feel strong and vigorous, with steady nerves and elastic muscles. GOLD MEDAL HAZELTON OIL CAPSULES are imported direct from the laboratories at Hazelton, Holland.

They are a reliable remedy which has been used by the sturdy Dutch for over 200 years, and has helped them to develop into one of the strongest and healthiest races of the world. Get them from your druggist. Do not take a substitute. In sealed packages—three sizes.

One stick of gum made the world rosier

"I DIDN'T have anything more than a grin-and-bear-it spirit when they first rolled me onto that little white iron bed, but one of the boys brought me in a package of chewing gum after a while and the world honestly looked rosier as soon as I took my first chew. This lad's kindness and the cheer that package of gum gave me impressed me so that after I was able to hobble around I spent five francs, all the money I had, buying gum at the hospital canteen and playing 'good Samaritan.' You can't imagine the good it did for those wounded boys, and the smile of appreciation when they saw that little package."

This is but one of the many reasons why you are having difficulty today in getting your favorite brand of Adams chewing gum. Please remember that millions upon millions sticks of Adams gum have gone to the boys in France. If Adams Black Jack is missing from the counter try Adams Pepsin, Adams Chiclets, Adams Yucatan or any Adams brand.
